The making of payment shall not prejudice the Buyer's right of rejection. Before exercising the said right to purchase elsewhere the Buyer shall give the Seller reasonable opportunity to replace the rejected Goods with goods which conform to the Contract.

10 VARIATIONS

- 10.1 The Seller shall not alter the description or quantity of the ordered Goods, except as directed in writing by the Buyer but the Buyer shall have the right, from time to time during the performance of the Contract, by giving notice in writing to direct the Seller to add or omit, or otherwise vary the description and/or quantity of the Goods, and the Seller shall carry out such variations and be bound by the same conditions, so far as applicable, as though the said variations were stated in the Contract.
- 10.2 If, in the opinion of the Seller, any such direction made in accordance with clause 10.1 is likely to prevent the Seller from fulfilling any of its obligations under the Contract the Seller shall notify the Buyer within 24 hours of the Buyer's request and the Buyer shall decide as soon as reasonably possible whether or not the same shall be carried out and shall confirm its instructions in writing and modify the said obligations to such an extent as may be justified.
