## **26 GENERAL**

26.1 No terms or conditions submitted or referred to by the Contractor when tendering shall form part of the Contract unless otherwise agreed to in writing by the Hirer.

26.2 No delay or omission by the Hirer in exercising any of its rights or remedies under the Contract or under any applicable law on any occasion shall be deemed a waiver,

or bar to, the exercise of such rights or remedy or any other right or remedy upon any other occasion.

26.3 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, it shall be severed from the Contract and rendered ineffective without modifying the remaining provisions and shall not in any way affect the validity or enforceability of the Contract.

26.4 No variation of the Contract shall be valid or effective unless it is in writing, refers to the Contract and these Conditions and is duly signed or executed by, or on behalf of, the Hirer.

26.5 The parties are independent persons and are not partners, principal and agent or employer and employee and the Contract does not establish any joint venture, trust, fiduciary or other relationship between them, other than the contractual relationship expressly provided for in it. Neither of the parties shall have, nor shall represent that they have, any authority to make any commitments on the other party's behalf.

26.6 The Contractor recognises that any breach or threatened breach of the Contract may cause the Hirer irreparable harm for which damages may not be an adequate remedy. Accordingly, in addition to any other remedies and damages available to the Hirer, the Contractor acknowledges and agrees that the Hirer is entitled to the remedies of specific performance, injunction and other equitable relief without proof of special damages.

26.7 This Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous and contemporaneous agreements, promises, assurances and understandings between them, whether written or oral, relating to its subject matter.

26.8 A person who is not a party to the Contract shall not have any rights to enforce its terms.

## **27 APPLICABLE LAW AND JURISDICTION**

27.1 The Contract and any dispute or claim arising out of, or in connection with, it, its subject matter or formation (including non-contractual disputes or claims) shall be governed by, and construed in accordance with, the laws of England and Wales.

27.2 The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of, or in connection with, the Contract, its subject matter or formation (including non-contractual disputes or claims).
